

SINGAPORE CLUB OF NORTHERN CALIFORNIA

Singapore International Foundation Donation Form

SIF has set up the Tsunami-Affected Communities Fund (TAC Fund) and are seeking to raise \$500,000. The funds collected will be channeled to the process of re-building as well as to disaster mitigation. Hence, your donations will go towards projects which provide sanitation, clean water, housing and healthcare.

Through the capacity-building work that SIF has done in the region with host partners, NGOs and agencies, SIF has been able to quickly identify some areas of need. In the immediate phase, SIF will be supporting communities in India, Indonesia, Sri Lanka and Thailand. The scope of reconstruction work will be more clearly determined and defined in the course of the following weeks. And the reconstruction work will continue for many months and even years after, as the re-building process will be as long as the destruction was swift.

Please join SIF to help these communities pick up the pieces and re-build their lives. Please give generously. Suggested minimum donation US\$10.

Name _____
(Last or family name) *(First name)*

Spouse _____
(Last or family name) *(First name)*

Passport No. _____ USA / SINGAPORE / OTHER _____
